Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Living or Dead Labor Unions Every day in every country there is an army of men, women and children rushing forth to do battle with all their strength of their bodies and minds in the mines, mills and shops. They shiver in their thin clothing in the cold winter mornings. They hug their pieces of bread with perhaps a slice of pie and bottle of cold coffee for their lunch. They hitch themselves to their machines and tools that callous their hands and callous their minds to the thundering, roarings of the machinery. But they cannot callous their lungs and blood to poison ous fumes, to sti?ing air, to bad food and to little rest. These things eat away their vitality and make them old long before their time.
