

Principal Components Analysis (Paperback)

By George Henry Dunteman

SAGE Publications Inc, United States, 1989. Paperback. Condition: New. Will Be Reissue.

Language: English . Brand New Book. For anyone in need of a concise, introductory guide to principal components analysis, this book is a must. Through an effective use of simple mathematical-geometrical and multiple real-life examples (such as crime statistics, indicators of drug abuse, and educational expenditures) -- and by minimizing the use of matrix algebra -- the reader can quickly master and put this technique to immediate use.
