THE RISE OF THE AMERICAN PROLETARIAN (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Rise of the American Proletarian The object of the following pages is to show briefly the causes of the origin of this proletarian class in the United States and to describe the mode in which it has made its existence manifest up to the present time. This naturally involves a critical estimate, from the proletarian point of view, of the environment in which it has developed. Desirable as such an attitude might be, it is, in the very nature of things, impossible. Therefore, in any discussion of the proletarian position, the proletarian psychology must also be taken into account. The introductory chapters are intended as a brief resume of industrial history. Their purpose is to point out to what extent the American industrialist, proletarian as well as captain of industry, has been indebted to preceding epochs of human history. Given the machine development of the eighteenth century and the factory system, the results have been unavoidable. The course of development in this country has presented no new aspects....
