Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. What happens when a father asks his son to lie for the greater good? Growing up, Scott C. Johnson always suspected that his father was different. Only as a teenager did he discover the truth: his father was a spy, one of the CIA's most trusted officers. At first the secret was thrilling. But over time, Scott began to have doubts. How could a man so rigorously trained to deceive and manipulate simply turn off those skills at home? His father had been living a double life for so long that his lies were hard to separate from the truth. The only difference was what they did with that information. In the aftermath of 9/11, father and son found themselves on assignment in Afghanistan and the Middle East, one as a CIA contractor, the other as a reporter for Newsweek. Suddenly, an unsettled Scott was forced to keep his father's secret all over again. As their professional lives collided, Scott and his father inched toward a personal reckoning, struggling to overcome a lifetime of suspicion and deception. *The Wolf and the Watchman* is a provocative, meditative account of truth and duplicity, of manipulation and loyalty. It...
