The Working Poor: Invisible in America (Paperback)

By David K Shipler

Random House USA Inc, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From the author of the Pulitzer Prize-winning *Arab and Jew*, an intimate portrait unfolds of working American families struggling against insurmountable odds to escape poverty. As David K. Shipler makes clear in this powerful, humane study, the invisible poor are engaged in the activity most respected in American ideology--hard, honest work. But their version of the American Dream is a nightmare: low-paying, dead-end jobs; the profound failure of government to improve upon decaying housing, health care, and education; the failure of families to break the patterns of child abuse and substance abuse. Shipler exposes the interlocking problems by taking us into the sorrowful, infuriating, courageous lives of the poor--white and black, Asian and Latino, citizens and immigrants. We encounter them every day, for they do jobs essential to the American economy. This impassioned book not only dissects the problems, but makes pointed, informed recommendations for change. It is a book that stands to make a difference.

Reviews

This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf I am just effortlessly can get a delight of looking at a published book.

This ebook can be worthy of a go through, and a lot better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly easy way which is just soon after i finished reading this book where basically modified me, affect the way i really believe.
