A Salty Piece Of Land (Paperback)

By Jimmy Buffett

Little, Brown Company, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. If Tully Mars had known what he had gotten himself into when he agreed to help find the lost lens belonging to the lighthouse on Cayo Loco-well, he might never had agreed to help in the first place. Then again, maybe he would just have taken a slightly longer nap before setting off on his wild adventure. And it isn't just Tully-who Buffett fans will remember well from Jimmy's bestselling *Tales from Margaritaville*-on the madcap quest. There's Ix-Nay, an Indian shaman with a dislike of the media; Mr. Twain, Tully's loyal steed; Cleopatra Highbourne, the 102-year-old owner of Cayo Loco and Cuban baseball addict; Captain Kirk, fishing trip leader and boatman extraordinaire; former country music star Sean Spurl-AKA Tex Sex; Bucky Norman, a Wyoming cowboy who has found his way to the ocean; and even a fellow named Jimmy Buffett, who decides he might as well join in on the party. Raucous, funny, and wise with the world's strangeness, *A SALTY PIECE OF LAND* is the best and bestselling novel yet from one of America's most beloved storytellers.

Reviews

The book is fantastic and great. It is really exciting through looking at period of time. Your way of life period will likely be change when you full reading this publication.
