NewSouth Books, Albania, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Almost everyone you meet has heard about the Tuskegee Airmen, but surprisingly few can answer with accuracy questions relating to their most important leaders, aircraft, missions, stations, phases of flight training, and unique accomplishments. Some of the Tuskegee Airmen stories in circulation are downright false. This book, designed primarily for students and teachers but also useful for general readers, answers 76 of the most common questions that people ask about the Tuskegee Airmen, enabling readers to separate the facts from the fictions. This short and accurate summary of Tuskegee Airmen history honors the first African American pilots in U.S. military service -- pioneers in the continuing struggle for racial equality.
