However, to achieve your maximum potential, and to really get what you want at work, you need more than just to meet your targets. That's what this book is about. There is a whole raft of personal skills that you need to give yourself the best chance of getting the right result for you, in every situation. And these personal skills can be learned, practiced and mastered, until they become second nature. You'll be more effective and more productive. You'll exude more confidence, be perceived as more authoritative and win people over every time. You'll get noticed, and you'll get on. 224 pp. Englisch.
