Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Satan studies christian single women. He knows our strengths and our weaknesses. Our main focus in life should not be to get married, but to establish a strong relationship with God making sure that our love for Him is solid as a rock; because just as sure as Jesus asked Peter three times, Peter do you love me? He is going to ask you that same question. The day will come when every person who is professing to be a Christian will have to prove his/her love and loyalty to God just as Abraham and Job had to. Many have said I love God, but the proof will be in the test. Love is an action word. Prepare for the big test. Everything you have learned about God, everything you have heard during those Sunday services, and bible study, all that you have studied is what you will have to rely on during your test. Just remember, the Holy Spirit will bring all things back to your remembrance but the teacher Himself, is always silent during the test. It doesn't mean God will not be there with you, it just means you've been shouting to the world how much you love him, now it's just time to for you to prove it. How far will you go to prove your love to God? will you go as far as Abraham when He was about to offer up his son? Will you go as far as Job? will you go as far as Jesus by dying on the cross? Will you go as far as far as driving off a cliff first? Your test might be coming up soon. How...
