CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 88 pages. Dimensions: 10.9in. x 8.4in. x 0.4in. Save childrens lives and learn the discovery of God Can we discover God What does science prove Why we were never told the facts of science and world religions These are some questions the author had couple of years ago. So, he starts his search with a believe that every confusion leads to a conclusion of a solution. During his research he looks through so many different kinds of scriptures, books, Torah, Bible, Quran, biological and scientific books, world religions history, online searches, similarities and differences of various faiths and many more informations. In his search for revealing Gods true religion he created this book. Now his book has been released and he has set his intention on spreading the words of his research project and he also wants to help the poor, disabled and hungry children in America and worldwide with the profits of the book. A research project of science and world religions published as a book. 25 of the books entire profits will be donated to these charities 1. savethechildren and 2. stjude hospital In the same time its an opportunity for both to learn the new discoveries of science, God and world religions that people simply have the right and deserve to know with an excellent positive way to help the author to donate more to the poor, hungry and disable children in America and worldwide. The author said, My book is peaceful, rough, honest and the views are very open minded. Its about the existence of creator and creation with their definitions with new and old sources of informations. Its full of spirituality, faith in God, Science and much more fun and new mysterious informations on Judaism,...
