Brand New Book ***** Print on Demand *****.Excerpt from Popular Works the Nature of the Scholar, the Vocation of Man, the Doctrine of Religion: With a Memoir Over forty years have elapsed since these translations of the popular philosophical works of Johann Gottlieb Fichte were first published in 1845-49. At that time comparatively little attention had been directed in this country to the strictly philosophical literature of Germany, and no one had even attempted any popular exposition of transcendental idealism. But many varied influences, - notably the writings of Coleridge, Emerson, and Carlyle, - had combined to awaken among us a sense of dissatisfaction with the common philosophy, and a desire for higher and more spiritual views of man and the universe. In the hope of contributing to the fulfilment of that desire, I ventured to undertake the task of making known to my fellow-countrymen, in their own tongue, a new mode of thought in which this highest region of enquiry had been approached by a profound and earnest German thinker, of whom it had been truly said that a soul so calm, so...
