He has brought in enough of the life of society in his day, enough of the worldliness and the luxury that the bourgeois delighted in being familiarized with, to make his circle of readers follow attentively the fortunes of this mystic love affair. He has used his art to paint a delicate portrait of an innocent and. Pure girl whose heart has been given once and for all to the man of her choice. Indeed his portrait of Lavinia daudefini is one of the sweetest he ever drew, and far surpasses in true beauty the richly coloured.
