John Wiley Sons Inc, United States, 1997. Hardback. Condition: New. New. Language: English . Brand New Book. With the establishment of new international standards for environmental management systems (EMS), many managers are faced with the daunting and often bewildering task of creating management systems that enable their companies to conform to these standards. In their haste and confusion, however, many companies implement bureaucratic, ineffective systems that add no real value to their businesses. The ISO 14001 Implementation Guide: Creating an Integrated Management System shows you how to use the ISO 14001 standard to improve your company's productivity and profitability while meeting registration requirements. Using a practical, business-oriented approach, this authoritative book details the background and development of the ISO 14000 series of standards, fully explains the requirements of 14001, and offers hands-on guidance on how to implement an effective EMS. It highlights common but costly mistakes, and leads you step-by-step through the creation of an EMS that will result in a more competitive business as well as a cleaner environment. Suzan L. Jackson draws on her experience as an ISO 9000 and ISO 14000 consultant and trainer and as a member of the U.S. Technical Advisory Group to ISO Technical Committee 207, which is developing the ISO 14000 environmental management standards. With her insider's perspective, Jackson demonstrates how the implementation of a cohesive, well-defined management system helps cut costs, increase efficiency, and focus energies. In addition, she provides insights into ways of successfully integrating ISO 9000, ISO 14001, and other management systems. The ISO 14001 Implementation Guide provides a wealth of proven tips, techniques, and tools that help ensure smooth, trouble-free, and efficient EMS implementation, including critical success factors, flowcharts for setting up the elements of an environmental management system, helpful tips, and advice for avoiding common pitfalls....
