By Lana Krumwiede

Candlewick Press, U.S., United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. As the powerless and the powerful clash, allies and enemies are not always who they seem to be in this dynamic sequel to the dystopian novel Freakling. Having used his unique connection with the Heart of the Earth to terminate the use of psi, or telekinesis, in the secluded city of Deliverance, twelve-year-old Taemon bears the burden of responsibility for the fate of its people. With society in disarray, his family missing, and tensions looming with the mysterious Republik, Taemon confronts the startling discovery that he alone can still use psi -- and that it comes with a price. In an attempt to find his father and prevent war, Taemon and his friend Amma set out on a dangerous journey to the Republik. But what they find there is far from what they expected, and Taemon's understanding of the world is challenged. Will his psi and his courage be enough to conquer the obstacles standing in the way of peace?.
