Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.THE brig was already a white-sailed toy on blue waters. Soon enough she would be hull down on the horizon, then nothing at all. No man among her crew would ever set foot again willingly on the island where that crew had marooned its captain. And Vasco Gomez, lost and alone on a pin-point of earth set down among waves that seemed to come from the other end of the world, stretched out his arms and laughed loudly for the first time since they had set him ashore. He was known as a clever man and a lucky captain in every waterside tavern where the freebooters gathered. But this marooning of himself on a lost and uncharted island was the cleverest and luckiest exploit in a career that had held little mercy and no noteworthy failures. It had not been an easy task. No, even for Vasco Gomez, it had not been easy. His own name for good fortune had worked against him, as had the quite justifiable fear his reputation inspired in the most hard-bitten of free companions. It had taken untiring craft and skill to bring even a crew of wolves to the point of mutiny against Vasco Gomez. And even greater art to see to it that these wolves, once roused, should maroon a living man where he wished to be, and not merely cast a hacked body overside.
