Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Illustrated. Language: English . Brand New Book ***** Print on Demand *****.COLUMBUS AND THE EGG CHRISTOPHER COLUMBUS discovered America on the 12th of October, 1492. He had spent eighteen years in planning for that wonderful first voyage which he made across the Atlantic Ocean. The thoughts and hopes of the best part of his life had been given to it. He had talked and argued with sailors and scholars and princes and kings, saying, I know that, by sailing west across the great ocean, one may at last reach lands that have never been visited by Europeans. But he had been laughed at as a foolish dreamer, and few people had any faith in his projects. At last, however, the king and queen of Spain gave him ships with which to make the trial voyage. He crossed the ocean and discovered strange lands, inhabited by a people unlike any that had been known before. He believed that these lands were a part of India. When he returned home with the news of his discovery there was great rejoicing, and he was hailed as the hero who had given a new world to Spain. Crowds of people lined the streets through which he passed, and all were anxious to do him honor. The king and queen welcomed him to their palace and listened with pleasure to the story of his voyage. Never had so great respect been shown to any common man. But there were some who were jealous of the discoverer, and as ready to find fault as others were to praise. Who is this Columbus? they asked, and what has he done? Is he not a pauper pilot from Italy? And could not any other seaman sail across the ocean just...
