Urban Winter Survival: (FREE Bonus Included) How To Prepare Your Car, Your Home And Yourself For Great Freeze We all can t deny the fact that winter is the season. You can talk about anything and you know you d love it in winters more than usual. Talk about evening winter walks, all those boots, mufflers, oversized sweaters, coffee, and sitting in front of the fire with your friends, bone fires, bbqs, dry fruits and so much more. It s all fun and games until you are at home, in warm cozy place. Winter is not fun at all when you have to work outside the house. We all love it but we all know winter is hard to handle too. You just can t survive the extreme cold January just like that without doing anything. There are a lot of things that have to be taken care of, not just the coffee and dry fruit. You just can t get through the cold by crowding around the heater. You need to take strict care of things so the cold won t get to your health. Life outside the house especially when the weather is extreme cold is not that smooth and is full of fights. What if you work outside the home or you have to spend a night outside the house, what would you do then? Take your heater with you? I m sure dry fruits won t make you warm in that case. Let s have a look how one can survive urban winter. And...
