Reviews

The book is not difficult to read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.

That's Life Communications, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Pull up a nice, warm, cozy chair and enjoy some Hot Apple Cider along with me. Move in closer. That's it. We'll all share our stories together, like a group of close friends. Stories of heartbreak and redemption--trouble and overcoming--questioning our faith and embracing it--and, most of all, finding hope at the end of every path. There's just nothing like a circle of warm friends to share life with. All 15 of us will take turns opening up our hearts to you--sharing little pieces of ourselves. Come and join us. We'll even include discussion questions so you can reflect on our stories or explore the themes with a group. Our first two Hot Apple Cider anthologies won a number of awards and have nearly 90,000 print copies in circulation. They're also now available as ebooks.
