It becomes more difficult if you have a child diagnosed with a special need in life such as Autism. Dawn Lucan will cover five different things you should consider putting into your child custody agreement. Before you write your child custody agreement, I recommend at least consulting an attorney to see if any errors were made while writing it. You need to also realize that the laws for child custody and child support vary from state to state, and I will not be covering it in this book. Dawn Lucan has 18 years of experience working with students with a variety of different abilities in life.
