Yogavarttika Of Vijnanabhiksu: Text with English translation and critical notes along with the text and English translation of the Patanjala Yogasutras and Vyasabhasya, Vol. III (Vibhutipada)

By T.S. Rukmani

Munshiram Manoharlal Publishers Pvt Ltd, New Delhi, 2010. Hardcover. Condition: New. Reprint. 242pp. This is the first time that an attempt to render the Yogavarttika into English has been made. Its syncretic nature and the difficulty of understanding it without the aid of the sutra and bhasya has always deserted the undertaking of this work for a study in such detail. The present work gains added importance due to the critical notes given under every varttika. The bringing together of all the three-the sutra, bhasya and varttika-will serve the scholar and layman alike and will fulfill the need long felt for such a work. The first two volumes in this series, the Samadhipada and the Sadhanapada have had a very good response and have been well received by scholars both in India and abroad. The splitting of the bhasya and the varttika topicwise, provision of accurate and lucid English translation and copious explanations and footnotes and an erudite glossary of technical terms make this work extremely useful.
