Reviews

This book is definitely not easy to get going on reading but extremely entertaining to learn. It is actually filled with knowledge and wisdom I am very easily will get a delight of reading a composed ebook.

Carcanet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Eca's English Letters, Eca de Queiros, Aiken Stevens, Ann Stevens, England in the 1880s: the aristocracy stoically endures the tedium of country-bound weeks in winter, when fashion forbids their showing themselves in London. Lord Beaconsfield's death is mourned - and a national myth is buried. The Times remains the watchdog of the English conscience. Abroad, John Bull is sweetly reasonable; Irish rebels must not be allowed to incommode English landlords; Egyptian rebels must be taught to respect their established rulers (and of course, British interests must be safeguarded). Meanwhile, in Newcastle-upon-Tyne, an obscure young Portuguese consul, Eca de Queiros, writes regular letters to his Brazilian readers, giving a dry, gently amused, if not wholly impartial, account of these and other English activities. If his facts are sometimes a shade garbled, and his irony occasionally cruel, his descriptions of people, places and events are always lively and vigorous. He shows a propensity for blowing raspberries at our more venerable institutions - the Times he finds incessantly amusing - but, read as a corrective to the British propaganda of the period, "Letter from England" provide a vivid glimpse of late-Victorian Britain as an eminently civilized European would have seen it.
