Twenty-Third Publications, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Those familiar with the music of Dan Schutte are in for a great treat here. As in his music, he deals with themes of longing and desire for God, the hungers of the human heart, unfulfilled human hopes and dreams, and the profound happiness of finding ones home in God. The exercises here are loosely based on the Spiritual Exercises of St. Ignatius of Loyola, and the goal is the same for both: to draw readers into a personal, living, growing relationship with Jesus Christ.
