Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sallie Wiegand)

TEACHING TRANSITION SKILLS IN INCLUSIVE SCHOOLS

Brookes Publishing Co. Microfilm. Book Condition: new. BRAND NEW, Teaching Transition Skills in Inclusive Schools, Teresa Grossi, Cassandra M Cole, Michael Wehmeyer, Debra Hart, Paul Wehman, How can high schools teach academic content and the critical skills students need to navigate life beyond the classroom? Fitting it all into one curriculum can be a challenge and this book helps you juggle it all, ensuring personalized, student-centered instruction that prepares students with and without disabilities for success. This book introduces a unified framework for transition services in an integrated, cohesive process that gets all students ready for college, careers and citizenship. With six model lesson plans aligned with Common Core State Standards this guidebook helps educators and transition specialists make key improvements to transition services and instructional practices. Youa ll learn the basics of raising expectations for all students through rigorous, personalized, and standards-based instruction improving access to the general curriculum for students with special needs developing meaningful transition IEPs based on studentsa strengths, preferences, and needs blending quality transition services and quality instructional practices into one integrated approach weaving in additional adaptations and accommodations for students with more significant support needs connecting academic content to practical, real-world contexts To help you strengthen your practices right away, youa ll get practical tips and activities, specific examples of embedding transition skills into good classroom instruction, and recurring case studies that follow two students with different support needs and interests. And the included formsa assessment tools, student profile sheets, self-evaluations, and morea will help you gather and organize key information on each student. A must-have guide for all education professionals in inclusive high schools, this book will help you meet Common Core State Standards while fully preparing all students to succeed: in college, in the workplace, and in life. ".
