Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This report provides background information on Turkey and discusses possible policy questions and considerations for Members of Congress. U.S. relations with Turkey-a longtime North Atlantic Treaty Organization (NATO) ally-have evolved over time. Turkey s economic dynamism and geopolitical importance underpin its regional and global influence. Although Turkey still depends on the United States and other NATO allies for political and strategic support, and has close economic links with the European Union, its increased economic and military self-reliance since the Cold War allows Turkey relatively greater opportunity for an assertive role in foreign policy. The record of U.S.-Turkey cooperation during the Obama Administration has been mixed. To some extent it mirrors the complexities that past U.S. Administrations faced with Turkey in reconciling alignment on general foreign policy objectives with substantive points of disagreement. Greater Turkish independence of action and continuing political transformation appear to have been mutually reinforcing-with both led for more than a decade by President (previously Prime Minister) Recep Tayyip Erdogan and the Islamist-rooted Justice and Development Party (AKP). However, it remains unclear how Turkey might reconcile majoritarian views favoring Turkish nationalism and Sunni Muslim values with secular governance and protection of individual freedoms and minority rights, including with regard to Turkey s Kurdish citizens. Existing challenges for Turkey and tensions in U.S.-Turkey relations have been exacerbated by a failed coup attempt in July 2016 and the ongoing government response. The vigorous response, accompanied by the Turkish parliament s approval of a three-month state of emergency, seeks to restructure the military and other key institutions and purge Turkey of the influence of Fethullah Gulen. Gulen was formerly a state-employed imam in Turkey, and is now a permanent U.S. resident..
