Despite being ruthless in his work, family comes first for him, and he d do anything for his parents and eight siblings-even if they drive him crazy sometimes. . . like when they keep nagging him to get married already. Sebastian doesn t believe in love, until he brings in external marketing consultant Ava to oversee the next collection launch. She s beautiful, funny, and just as stubborn as he is. Not only is he obsessed with her delicious curves, but he also finds himself willing to do anything to make her smile. He s determined to have Ava, even if she s completely off limits. Ava Lindt has one job to do at Bennett Enterprises: make the next collection launch unforgettable. Daydreaming about the hot CEO is definitely not on her to-do list. Neither is doing said CEO. The consultancy she works for has a strict policy-no fraternizing with clients. She won t risk her job. Besides, Ava knows better than to trust men with her heart. But their sizzling chemistry spirals into a deep connection that takes both of them by surprise. Sebastian blows through her defenses one sweet kiss and sinful touch at a time. When Ava s time as a consultant in his company comes to an end, will Sebastian fight for the woman he loves or will he end up losing her?.
