American Academy of Pediatrics, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Addressing Mental Health Concerns in Primary Care brings together a myriad of ready-to-use resources and tools on one instant-access CD-ROM. Toolkit includes: screening, assessment instruments, quick-reference, care management advice, step-by-step care plans, time-saving documentation and referral tools, coding aids, billing and payment tips, parent handouts, community resource guides and much more. Algorithm-based guidance, indexed to CPT codes, outlines a process for care and billing. Succinct clinical tools provide step-by-step decision support for assessment and care of children with the most common mental health symptoms: anxiety, depression, disruptive behavior and aggression, inattention and impulsivity, substance use, learning difficulties, and social-emotional problems in young children. Tools and resources can be printed and distributed as needed. Many will be continuously refreshed through Web-based updates. This toolkit is intended to enhance the quality of mental health care children and adolescents receive, whether in the medical home itself or through the medical home. The toolkit has been organized according to the chronic care principles and has 5 sections: Community Resources provides templates for creating an inventory of community mental health resources, a description of key services needed by children and families with mental health concerns, and guidance to assist clinicians in developing collaborative relationships with community providers of key services. Health Care Financing assists the primary care clinician in creating a business framework for the mental health services provided by the practice. It provides guidance in addressing third-party payment issues and provides resources to assist with coding and billing effectively. Support for Children and Families provides resources to engage families in help-seeking and self-help and ensure the family-friendliness of the practice. It also includes resources to address stigma, confidentiality,...
