Arcadia Publishing (SC), United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. Canyon Lake lies on the western edge of Menifee Valley, between Sun City and Lake Elsinore, and is both a private gated community and an incorporated city with a population approaching 10,000. This is quite a change from 1890 when only one family lived here near Salt Creek and San Jacinto River. In 1882, when the California Southern Railroad began service between Perris and Elsinore, the area was known as Railroad Canyon, but after three washouts, the line was abandoned. The Temescal Water Company later purchased the land and constructed a dam, thus creating Railroad Canyon Lake. The Evans family operated a fishing resort there for 30 years until 1968, when Temescal developed the private community of Canyon Lake. This original weekend retreat is now home to retirees and young families as the area surrounding Canyon Lake is rapidly becoming more urban.
