

Toward a Culture of Freedom (Hardback)

By Thorwald Lorenzen

CASCADE BOOKS, 2008. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Ten Commandments belong to the classics of Western culture. They are an authoritative part of the Hebrew and the Christian Scriptures. Since they come to us from an ancient past, it is both necessary and worthwhile to inquire what they may mean for us today. Thorwald Lorenzen contends it is important to hear God's invitation to an alternative lifestyle: you shall not kill, you shall not commit adultery, you shall not covet. Grounded in God's liberating yes, the ten words are neither laws nor rules. They are elements for a culture of freedom in which people are invited to celebrate life. Thorwald Lorenzen presents an inspiring call to embrace freedom as a matter of spiritual inheritance and destiny. Pastors and prophets alike will use this text to sharpen their vision, and every reader will find in it a guide to break free from those chains that bind them. --David Batstone, author, Professor of Ethics, University...

This book might be worth a read, and superior to other. Of course, it really is engaging in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
