Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Octopus Publishing Group, United Kingdom, 2001. Hardback. Book Condition: New. 220 x 218 mm. Language: English . Brand New Book. Ten perennials appear here, each a specific cultivar carefully selected for its innate and enduring beauty. The photographs show every critical stage of their development, creating an album which should inspire planting that is as attractive in Winter as Spring. Each plant is described in detail, explaining not just how it develops and the conditions in which it develops, but also its cultural, historic and folkloric associations.
