Scholastic, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Nothing in Owen s life has been right since his father died in prison, accused of a crime Owen is certain he didn t commit. Monroe, the IT guy at school, might finally bring Owen the means to clear his father s name by letting him use an Animus-a device that lets users explore genetic memories buried within their own DNA. During a simulation, Owen uncovers the existence of a powerful relic long considered a legend-the Trident of Eden. Now two secret organizations will stop at nothing to take possession of this artifact-the Brotherhood of Assassins and the Templar Order. It becomes clear the only way to save himself is to find the Trident first. Under the guidance of Monroe, Owen and a group of other teenagers go into a memory they all share within their DNA: the 1863 Draft Riots in New York City. Owen and his companions will find themselves tested on the violent streets of New York, and their experiences in the past will have far-reaching consequences in the present.
