Brand New Book ***** Print on Demand *****.Practical Font Design The Revised and Expanded Third Edition A rewritten, expanded 3rd edition including the second edition of part one and part two (on building book font families) plus new materials giving a practical walk through the process of designing a font and families. This is not about artistic considerations, but the practicalities of putting a font together. On the other hand, the design approach is fine art. David s training is as a fine art printmaker: etchings stone lithography. The basic procedure we use for font design is found in this book. It is a step by step following of new font designs with tips and comments along the way. A book to help graphic designers design fonts Here at the foundry we use FontLab 5 in the production of our fonts. Over the years we have developed over a hundred fonts. In the process we have picked up a lot of experience in the process of designing a font efficiently. This is not a book for programmers and scripters. This is a book...
