Brand New Book ***** Print on Demand *****.The Return To Utopia is a tale told by one man and his observations on what started out like a typical day. It was not long after his alarm sounded for the morning that something in the air seemed different, it was a feeling, a knowing, perhaps one that started long before this day. Delve deep into the inner psyche of one man who feels he has no option other than taking charge of a situation that no one asked him to, but perhaps this was the reason he was put on this Earth. Sometimes the most beautiful moments follow that of the most chaotic, enjoy the tale.
