Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Storey Publishing LLC, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. From Jec Aristotle Ballou, author of Storey's best-selling 101 Dressage Exercises , comes Equine Fitness , a guide to getting a horse in shape and maintaining his overall fitness, regardless of age or discipline. A horse's health is a critical concern for every equestrian - from the backyard owner who wants to enjoy her mount for many years to the show rider who needs her horse to perform at consistently high levels. Conditioning will improve soundness, stamina, quality of motion, and longevity. Equine Fitness provides owners and riders with expert instruction for assessing, monitoring, and maintaining the health of their horses. In addition, Equine Fitness features individual and group exercise routines specifically designed to enhance strength and agility, geared to horses of differing ages and abilities. Clear step-by-step instructions and detailed illustrations make the information easy to follow and implement. There is even a set of handy, pocket sized cards for owners and riders to consult directly while working with their horses.
