Yet it is a limitation upon governmental action which the state must observe and the courts enforce. Its obvious purpose is the protection of private rights against governmental interference except Where made in the furtherance of the legitimate purposes of government. But what are the legitimate purposes of government They must be ascertained by reference to the legal and governmental theories current when the due process provisions were written into our fundamental law. Most of the attempts to define conclusively the police power have in fact been efforts to state or summarize these purposes. It is frequently defined as a power to regulate private rights in the interest of the public health, morals, safety, peace, and welfare. The supreme court of the United States has declared that neither the amendment (the fourteenth amendment) - broad and comprehensive as it is - nor any other amendment,...
