Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Once again this land we have drawn to call our home reeked of madness. An eons-old evil comes back to wage war in William Baez s heart-pounding debut novel, Journey into a Darkness. Zar is a name that has struck fear in the hearts of men for centuries. Manifested by a group of witches called The Ancient Ones, he is a killer of worlds, created to prepare the world for war. But his strength has been contained since the days that Valkum created life and banished all non-earthly creatures from the earth. Quinn and his group of fellow Straymingores, charged with exploring the depths of the planet, fall into this categorization-yet refuse to leave when Valkum commands it. As a result, they are cursed to walk the earth as vampires for eternity. Centuries have passed when the oracle Neon sees a horrifying vision: an evil that is spreading, threatening to devour mankind itself-an evil known as Zar. All life on earth must finally come to a stop, for the gods to wage their final war. As the Vampire Council and Zar prepare for battle, there can only be one outcome.
