Political Communication

By Steven Foster

Edinburgh University Press. Paperback. Book Condition: new. BRAND NEW, Political Communication, Steven Foster, This introduction to the study of political communication covers the following subjects: *The history of the media in the UK and the USA including the concentration of ownership and the emergence of new media technologies *The relationship between the media and political parties, especially the effect the media has had on the policies and internal power structures of parties and other organisations such as pressure groups *Media influence on the electorate and the conduct of democratic politics *The constitutional significance of the politics of the media The first part of the book focuses on the social context and includes detailed analysis of the processes of political communication today, as well as the impact of these on parties, pressure groups and government. Developments in the US are considered alongside those in the UK. The second part places media politics in their constitutional context, covering issues such as open government and freedom of expression, freedom of information, privacy and human rights. Attempts by the governments of the UK and the US to manipulate and control the media are also explored.

Reviews

Complete guide! Its such a good go through. It is rally fascinating throgh reading period of time. Its been written in an extremely basic way and is particularly only after i finished reading through this publication through which really changed me, change the way i really believe.

-- **Mrs. Macy Stehr**

This kind of pdf is almost everything and made me seeking forward and much more. It is actually packed with wisdom and knowledge You will not really feel monotony at whenever you want of your own time (that's what catalogs are for about when you question me).

-- **Martina Maggio**
