The National Federation of Women Workers was active in securing the change, and its magazine describes the struggle in its usual picturesque style.1 1 B. L. Hutchins, Women in Modern Industry, p. 295. 1 United States Bureau of Labor Statistics, Monthly Review, August, 1917, p. 123. 2 Women s Industrial News, April, 1916, p. 15. s The Woman Worker, April, 1916, p. 9. The amendment act of August, 1917, gave the Minister of Munitions further power over wages for all workers. He might give any directions regarding pay for all time workers on munitions considered necessary to maintain or increase output and might apply any special wage awards which covered the majority of the employers in any trade to the whole of the trade. No information about any use of these powers to alter women s wages was...
