The Chemistry of Paper-Making, Together with the Principles of General Chemistry: A Handbook for the Student (Classic Reprint) (Paperback)

By R B Griffin

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Chemistry of Paper-Making, Together With the Principles of General Chemistry: A Handbook for the Student A considerable part of this book has been devoted to the elementary facts and principles of general chemistry and to processes of chemical analysis which are, in the main, well known, in the hope that the strictly technical portion might thus be rendered more available to the large body of paper-makers whose knowledge of the science is limited. For this reason the Introduction treats briefly of chemical theory, while Part I. contains a short account of the different elements and a reference to their more important compounds. In Chapter VIII. the various analytical processes which are employed in the examination of paper-making materials are given at some length. Among the numerous authorities consulted special mention should be made of Goodale's Vegetable Physiology, Sargeant's Report on the Forest Trees of North America, Schubert's Die Cellulosefabrikation, the very complete reports of the State Board of Health of Massachusetts in connection with the subject of water, and files of The Paper Trade Journal and...
