Createspace, United States, 2012. Paperback. Book Condition: New. Large Print. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the first in a series of stand alone interconnected Short stories for preppers. Eventually they will all be bound together to form one complete book, but it will take several updates to do so. A lot of preppers the author knows suggested Ron consider giving them their Fix of prepper fantasy in this type of short story format of 3 or 4 chapters containing 10,000 to 30,000 words like a Kindle single that could be written as complete story installments in small novelette form. This particular installment is about a prepper surviving after a nuclear electromagnetic pulse (EMP) has devastated the electrical grid. Cars and Trucks can still move in most parts of America but they can't get any gas. The threat of bioterrorism looms as the US and its allies go to war and modern technology dependant society is stopped dead in its tracks. Martial law and global famine has begun. Can the books characters survive? Could you? Where does this post apocalyptic tale go from here? Follow this series of action and adventure page turners to find out. The book is written in the perspective of a prepper thinking about how he is going to be dealing with the ever expanding post apocalyptic situation and melt down of society. The Prepper fiction author Ron Foster is very well known as a guest speaker on the Prepper Broadcasting network and a regular contributor to survival forums and Twitter under the name This apocalyptic story begins his 23rd book of both fiction and non fiction books. These short stories Ron writes of an end of the world based adventure and action fiction series...
