Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Moon, Fish, Ocean is a Zen pastime for one, two, or three players. Easy to learn and highly rewarding, every game is a mindful meditation that communicates a Zen poem through sign language. A less poetic, trendy version of Moon, Fish, Ocean is popularly known as Rock, Paper, Scissors. This offbeat gift book covers the complete rules, scoring, and history of the game. It also explains four separate variations of the game. Presented in a tongue-in-cheek style, this whimsical volume is simultaneously a hilarious send-up of Zen and a reverential tribute. It will appeal to fans of Rock, Paper, Scissors as well as to students of Asian philosophy and spirituality.
