Despite the fact that the Civil War began over 150 years ago, it remains one of the most widely discussed topics in America today, with Americans arguing over its causes, reenacting its famous battles, and debating which general was better than others. Americans continue to be fascinated by the Civil War icons who made the difference between victory and defeat in the war's great battles, and historians still debate the causes of the Union victory in the war. While there is still much debate, all agree that the Union's three greatest leaders were President Abraham Lincoln and his top generals, Ulysses S. Grant and William Tecumseh Sherman. Abraham Lincoln (1809-1865) is one of the most famous Americans in history and one of the country's most revered presidents. Schoolchildren can recite the life story of Lincoln, the Westerner who educated himself and became a self-made man, rising from lawyer to leader of the new Republican Party before becoming the 16th President of the United States. Lincoln successfully navigated the Union through the Civil War but didn't live to witness his crowning achievement, becoming the first president assassinated when he was shot at Ford's Theater by John Wilkes Booth on April 14, 1865. In the 19th century, one of the surest ways to rise to prominence in American society was to be a war hero, like Andrew Jackson and William Henry Harrison. But few would have predicted such a destiny for Hiram Ulysses Grant (1822-1885), who had been a career soldier...
