

The Science of Oneness: A World View for Our Age That Synthesises Science and Spirituality

By Malcolm Hollick

John Hunt Publishing . Paperback. Book Condition: new. BRAND NEW, The Science of Oneness: A World View for Our Age That Synthesises Science and Spirituality, Malcolm Hollick, This major work outlines the philosophy and methods of the new Science of Oneness. It takes a fresh look at the findings of modern science, including fringe fields such as parapsychology, and integrates them with insights from spiritual traditions. Weaving science together with experiential, spiritual and cultural knowledge, balancing openness to all sources with critical evaluation of their reliability, it presents a scientifically valid vision of reality that is conscious, creative, loving, and purposeful. It challenges us all to guide the evolution of humanity and the Earth in positive directions. Each chapter offers activities, thought-provoking questions and guided meditations to stimulate intuitive understanding. "The Science of Oneness" provides a coherent world view for cultural creatives, the holism movement, and everyone searching for meaning in our fragmented world.
