Reviews

Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Spirit-Led Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Becoming Melchizedek Book II Unto Fullness Group Study Guide provides a framework for readers seeking to understand the priest Melchizedek and the Melchizedek Order now emerging on earth. Unto Fullness completes the vision outlined in book I, Foundations and offers one of the fullest pictures to date on Melchizedek and the Melchizedek Priesthood. Coming are heights of purity and consecration in our walks with YHWH. We will know ramp-up of spiritual power; multiplication of anointings and giftings such that any one Priest may in time walk in Issachar, priestly and kingly functions; and greater success in intercession and warfare by way of training from Above and working with angels. I include much in the way of spiritual insight very relevant to the days ahead. Becoming Melchizedek Book II Unto Fullness is necessary reading for all who are after more. Destiny and fulfillment await.
