Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a simple devotional book, along with beautiful photography, that will give you peace, hope, courage, and strength. It will strengthen your faith and bring you closer to God each day. Readers have described it as a feel good read, written from the heart and you can feel the love that was put into each devotion. It has also been described as comfort food for the soul. This book started out as a collection of e-mails to my family and friends. I kept them short and simple and signed each one Love Grits, the name my grandchildren call me. For Christmas I compiled all of my devotions into a book and added some photographs I had taken. It was amazing how perfectly the photographs complemented my devotions. When I realized GRITS stood for GOD REIGNS IN THE SOUTH, through divine intervention, I had my title. I never imagined that the pictures and stories would come together to form a book, but God had a plan all along, which led to the creation of Grits, God Reigns in the South. The original goal of this project was to strengthen the faith of my family and friends, but in the end, it was actually my own faith that was renewed and strengthened. I pray that as you read this book, your faith will be strengthened, you will find comfort in times of need and you will find joy in the world around you.
