William Morrow Paperbacks, 2015. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: From "Silicon Valley's Martha Stewart" comes a new manifesto for the modern homemaker in the digital age. Over the past three generations, the rules of homemaking and our very notions of what a homemaker is and does have radically changed. We are still a nation of makers, but we are crafting and creating beyond the home, in both the analog and digital worlds. And in the next ten years, "making" and "homemaking" will evolve further. Tomorrow's women will find themselves actually manufacturing everything from decor to clothing, from right inside their homes. In *Homemakers*, Brit Morin, founder of the wildly popular lifestyle brand and website Brit + Co., reimagines homemaking for the twenty-first century. While today's generation thrives in the virtual world, they like to work and create in the physical world. Morin inspires you to combine the best of analog and digital, to help you reconnect with your inner creative child-the one who used to love to draw, to build, and to play-to make your home a more creative, functional, and beautiful place. Full of captivating, colorful spreads, step-by-step DIYs, tips, and unique ideas, *Homemakers* explores a range of domestic skills room by room in a house, from cooking advice in the kitchen to health and beauty tips in the bathroom. Simple, beautiful, and stylish, it offer ideas for creative living to encourage and enable the digital generation to make.
