Reviews

Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).

HODDER EDUCATION, United Kingdom, 2007. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Additional support for the written part of the exam to help students improve their answers and overall grade, including authentic material written by students with critical comments from teachers. - Places attention on the importance of style and content, together with accuracy and the correct use of different registers- Explains relevant grammar points in easy-to-understand language, and are supported by exam-related examples- Illustrates each point by means of an example relevant to the exam- Contains a database of topic-related vocabulary and ideasReview With sample examination questions after each skill, the book would even help teachers in assessing students after each skill taught. I highly recommend it. Mrs L Shana, Rainbow Secondary School, BotswanaAlso useful for:The clear explanations and extensive use of examples also make it extremely useful for students preparing for other advanced exams, such as First Certificate in English (FCE), Certificate in Advanced English (CAE) and IGCSE First Language English.Also available for the complete course:We also publish a core textbook that provides the most cost-effective way to teach both the speaking and listening components of the latest Cambridge syllabus.
