Brand New Book ***** Print on Demand *****.Every year, hundreds of thousands of California fourth-graders embark on a fascinating journey of discovery called The California Mission Project. This project introduces kids and their families to the life and work of the Franciscan priest and founder Junipero Serra, whose vision and leadership established what ultimately became a network of 21 missions (built between 1769 and 1823) that shaped the life of early California and a history and culture that thrives to the present day. Beginning with Serra's birth in Mallorca, Spain, and tracing his exciting, danger-filled, journey of nearly 20,000 miles across sea and land--much of that on a painfully infected foot--Orfalea takes us step by step through the New World he helped to shape. Orfalea shows how a poor farmer's son became an inspired priest and explorer, standing as a leader seeking to protect California's Native Americans from the often brutal Spanish soldiers as he sought to bring them a better life. This guide will help students and their families understand Serra and his world as it guides them in their own discovery of California's historic missions.
