Tyndale Momentum, United States, 2014. DVD video. Condition: New. Language: English . Brand New Book. Exhausted. Overwhelmed. Overscheduled. Sound familiar? Based on Bill Hybels groundbreaking book Simplify, the Simplify DVD Experience leads you on a journey of discovering a simpler life. Today's velocity of life can consume and control us . . . until a breakneck pace begins to feel normal and expected. That's where the danger lies: When we spend our lives doing things that keep us busy but don't really matter, we sacrifice the things that do. What if your life could be different? What if you could be certain you were living the life God called you to live--and building a legacy for those you love? If you crave a simpler life anchored by the priorities that matter most, roll up your sleeves: Simplified living requires more than just cleaning out your closets or reorganizing your desk drawer. It requires uncluttering your soul. By eradicating the stuff that leaves your spirit drained, you can stop doing what doesn't matter--and start doing what does. In this four-session Simplify DVD Experience, bestselling author Bill Hybels identifies the core issues that lure us into frenetic living--and offers practical steps for sweeping the clutter from our souls. This DVD series is an ideal resource for small groups! Don't miss the accompanying Simplify Participant's Guide (sold separately).
