Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book stresses the importance of loving your neighbor and honoring the birth of Christ. The Gift of Love: is a book that teaches about the love of God and the gift of love that we have received from Christ. It is not meant for everyone; it is meant for the ones that have faith in God (Yahweh). Koppelman, Kent (2014) states, Although religious freedom does not deny an individual's right to disagree with the beliefs and practice of another religion, it does require acceptance of divergent beliefs as long as they don't infringe on the rights of others. This book is an outreach to remind believers that through Jesus (Yeshua) we have life and we should be living it more abundantly. Koppelman, K. L. (2014). Understanding Human Differences Multicultural Education for a Diverse America. New York, NY: Pearson.
