iUniverse, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Ten Thousand were a band of aristocratic mercenary warriors who fought for the losing side in a war far from their own country. To escape their enemies in a now hostile foreign land, they set off to return home, but the journey is treacherous. One of their formations is separated from the main body and now must make its way alone. The lost wanderers, near starvation, stumble out of a mountain pass into a miraculously fair land on the bank of a river. They refresh themselves with the abundant game and fish found there and call the land Arkadia. However, they are not alone. One night, a host of wild barbarians called the Bem appears on the banks of the nearby river and attacks without mercy. After the battle, the lost ranks of the Ten Thousand are almost annihilated, yet they resolve to stay in their new paradise, as opposed to traversing the dangerous mountains to find their way home. They are the First Founders of Arkadia, and no matter the cost, they will survive in this strange new land, already seasoned with the blood of their comrades.
